SPONSORSHIP & EXHIBITION PROSPECTUS

20 – 23 October 2009
Sydney Convention & Exhibition Centre
Letter of Invitation from Conference Chair

The local organising committee are delighted to invite you to participate as a valued sponsor or exhibitor at the FOSS4G 2009 Conference to be held at the Sydney Convention and Exhibition Centre from the 20 – 23 October 2009 in Sydney Australia.

The annual Free and Open Source Software for Geospatial (FOSS4G) Conference brings together the people who create, use, and support open source spatial software. No other event brings together members of the open source development, open data creation, and open standards promotion communities like FOSS4G.

The Conference will be hosted by the Open Source Geospatial Foundation’s (OSGeo) Australian/New Zealand chapter. FOSS4G’s 2009 theme of ‘User Driven’ aims to highlight the Spatial industry’s movement toward Open Standards and Open Source, show off the best Open Source tools being developed, and address the practicalities involved in deploying these technologies. The 2009 Conference will be the fourth OSGeo Conference, each year the number of delegates has been growing so we highly anticipate that this momentum will be strongly evident for the 2009 Conference in Sydney.

We are certain the sponsorship and exhibition packages that are now available will provide your organisation with unparalleled opportunities at all levels for local, national and international exposure whilst strengthening your brand within the Open Source Geospatial Software Industry.

Your organisation’s alignment with the comprehensive program is the perfect opportunity to deliver a clear message of your commitment to the industry.

We strongly encourage you to consider the packages on offer at the FOSS4G 2009 Conference.

We look forward to welcoming you to Sydney 2009.

Cameron Shorter
FOSS4G 2009 Conference Chair

Public and Product Liability Insurance

It is a requirement of the Conference Managers and the venue that all exhibitors have adequate Public and Product Liability Insurance cover based on a limit of indemnity to the value of A$10,000,000 or above. This refers to damage or injury caused to third parties/visitors on or in the vicinity of an exhibition stand. Exhibitors are required to submit their public liability insurance certificate along with their booking form. To assist you in locating your certificate within your organisation – it can often be found with the accounts / finance departments and is also often referred to as ‘Broadform’.

To confirm your participation in the Exhibition Area, complete the attached Sponsorship and Exhibition Booking form and return to the Conference Managers. A confirmation letter and tax invoice will be provided to confirm your booking.
